Back to Basics of Recovery

How to Take the Twelve Steps “Quickly & Often”
with Wally P., (Tucson, AZ) Archivist, Historian & Author

Tuesday, November 28
6 p.m. - 9 p.m.
Taylor Auditorium, McCool Hall

Take all Twelve Steps the way they were taken in the 1940's when we had a 50-75% recovery rate

Today, more than 700,000 have been through this simple and straightforward process. Learn how the “Big Book” was used to take people through the Steps during the early days of the recovery movement.

This life-changing event is hosted by members of the recovery community and is for “anyone or everyone interested in a spiritual way of life” & is free to anyone wanting to attend, however donations will be graciously accepted.
